

Tour Guide Training

Connecting **Tourism** Professionals with **Conservation** Professionals
creating a mutually beneficial relationship in nature-based tourism

Maui Mauka Conservation Awareness Trainings provide....

- ✓ **An opportunity to learn from conservation professionals about Maui's unique natural environment**, Including the forests of Haleakalā, native forest birds, unique plants, and how Maui is addressing invasive species concerns.
- ✓ **20 incredible "WOW" statements** you can share with your guests.
- ✓ **Fact sheets and field guides** for you to take home.
- ✓ If you have more than **7 guides** contact us about scheduling a training just for your tour company!
